Philosophy of Education (Fall 2015)
Ph.D. Proseminar (Fall 2014)

Harvard College Cambridge, MA

Higher Education Policy and Service: At Harvard and Beyond (Spring 2018)

Research Assistantships

Harvard University Cambridge, MA

HILT Spark Grant Project – HarvardX (2017–2018)

- Conducted and coded 20 semi-structured in-depth interviews for a research project which examines faculty members' experiences in developing and teaching online courses.

Faculty Satisfaction Survey – Collaborative on Academic Careers in Higher Education (2017)

- Coded open-ended qualitative survey response data for the organization's annual Faculty Job Satisfaction survey.

The Good Participation Project – Project Zero (2015)

- Conducted interviews and digital ethnography for a MacArthur Foundation funded project on young people's civic and political participation in the digital age.

University of California, Berkeley Berkeley, CA

Research Assistant for Dr. David Oppenheimer (2015)

- Conducted archival research on Harvard President Charles W. Eliot (1869-1909), as part of a study tracing the origin of the consideration of diversity in the admissions process at Harvard College.

Center for Urban Ethnography (2010)

- Transcribed interviews, conducted literature reviews, and attended intensive qualitative research methods workshops for a project which explored the effect of social context in shaping military wives' attitudes towards their husbands' service.

Laboratory for Social Research (2010)

- Coded qualitative data and served as an experimenter and confederate on lab experiments on altruism and generosity. Served as a member at peer-review meetings on lab member research proposals.

Departmental Service

Member, Research Doctoral Advisory Committee 2017–2019

Mentor, Teaching Fellow Mentorship Program 2016

Course Design Assistant, Moral Adults, Moral Children with Dr. Richard Weissbourd 2016

Facilitator, Statement of Purpose Workshop, Diversity Recruitment Program 2015; 2016

- My workshop received the highest ratings among all the program workshops for both years.

Proposal Reviewer, Student Research Conference 2015

Additional

Knowledge of nVivo, AtlasTI, and Stata research software.

Intermediate fluency (written, reading, and conversational) in French and Italian.
