**WORK
EXPERIENCE**

Greylock McKinnon Associates, Ph.D. Intern Boston, MA 2019-2020

- Conducted economic analysis in support of anti-trust legislation in pharmaceutical, pharmacy and health insurance markets
- Drafted and validated economic damages analysis
- Drafted policy memoranda for inclusion in expert testimony

Deloitte Consulting

Consultant Chicago, IL 2013-2015
Business Technology Analyst Chicago, IL 2011-2013

Advised health insurance clients on large-scale programs and developed training materials for other Deloitte consultants. Sample projects include:

Pharmacy System Migration: National Health Insurance Plan

- Created a revised weekly status reporting process and managed reporting across 14 functional tracks to provide better visibility into downstream impacts of milestone delays and facilitated cross-functional resolution

Post-Merger Integration: National Health Insurance Plan

- Coordinated and facilitated post-merger integration summit with 200+ stakeholders to align on a go-to-market strategy for the Health Insurance Exchanges (Marketplace)

Health Insurance Exchange Program: National Health Insurance Plan

- Advised implementation of Health Insurance Exchanges at a national health plan, working directly with clients to identify and solve business and technical issues to enable day one functionality for 2014 open enrollment (10/1/13)
- Mapped program scope to regulatory requirements for Exchange participation to confirm that the program budget had not been allocated to developing superfluous capabilities not explicitly required for compliance

Health Care & Life Sciences Industry Training: Deloitte Consulting

- Led an analyst to develop a training on lessons learned during the 2014 Open Enrollment period for Health Insurance Exchanges
 - Managed a team of 5 to develop a new training offering on global trends in the health care industry for Deloitte practitioners
-

SERVICE

EnRoot Mentoring Program, Mentor Cambridge, MA 2016 - 2020

- Served as a mentor to a high school student who recently immigrated to the U.S. as they adjust to a new culture, language and education system
- Advised my assigned student through the college application process

Harvard School of Public Health, Youth in Public Health Conference Boston, MA 2016, 2018

- Developed and facilitated a case study on racial disparity research in health policy for ~90 Boston area high school students
-
