The New Yorker, September 9, 2013.**

Select Bibliography

N.B. For readers who'd like to read more, or who are undertaking their own research, here is a select bibliography of my sources for this piece. As with all the bibliographies for New Yorker essays that I post on my Harvard faculty website, this brief discussion mentions a good number of works consulted but it's neither an exhaustive inventory of my sources nor a survey of the scholarship in a given field. Instead, I've listed works I found most useful or especially provocative. I have generally only included manuscripts, journal and magazine articles, and books; I haven't listed interviews here at all; I've not included things like newspapers, advertisements, patents, legislation, and policy statements; and I've generally left out citations from specialized bodies of literature in fields like medicine and law. A last caveat: these brief bibliographies are all frozen in time: I do not update them, and they therefore don't include anything written on these subjects after the date on which my essay was published.

Berg, A. Scott. *Wilson*. New York: Putnam, 2013.

Cooper, Jr., John Milton. *Woodrow Wilson: A Biography*. New York: Knopf, 2009.

Cooper, Jr., John Milton, ed., *Reconsidering Woodrow Wilson: Progressivism, Internationalism, War, and Peace*. Baltimore: The Johns Hopkins University Press, 2008.
