

Week 7 Practice Questions

Anti-Americanism and Hegemony & the LIO

October 20/21, 2020

The following questions are based on a yearly survey by Pew Research to assess public opinion about the US and its leaders. Please jot down your answers so that you can compare them to the actual ones.

Question 1 What percentage of respondents in the following countries have a favorable view of the US?

- UK
- France
- Germany
- Japan
- Canada
- Australia

Question 2 What percentage of respondents in each country have confidence that US President Donald Trump will do the right thing regarding world affairs?

- Russia
- UK
- Mexico
- Japan
- India
- Nigeria
- Israel

Question 3 Should public policy consider how foreign policy will affect public opinion about the US, and how public opinion about the US will affect its efficacy? What about public opinion toward the US?
