Most times you'll find geniuses are difficult to communicate with, but Xiaosheng is definitely an exception. He's brilliant and very helpful!!

- [Evaluate the course overall.: **5 (excellent)**]
- [Evaluate your Section Leader overall.: **5 (excellent)**]

Xiaosheng is smart. I doubt you can't be smart and get to TA this class. The PSET is very hard. It is amazing he returned the pset grade very quickly.

- [Evaluate the course overall.: **3 (good)**]
- [Evaluate your Section Leader overall.: **3 (good)**]

Xiaosheng was very useful, and gave extremely detailed (and quick!) feedback on problem sets.
