Education

Harvard University

Extension School
Master of Liberal Arts (A.L.M.), 2018.
Concentration: International Relations, International Security

University of Central Florida

Burnett Honors College
B.A., Political Science, 2005.

Thesis

“African Spaghetti Bowl: Assessing State Rationales in African Peacekeeping Operations, 1999-2016.” I derive a model to predict the likelihood for African-led security cooperation by combining maximum likelihood estimation with Monte Carlo simulation. The results are assessed through three case studies within Africa.

Research

John F. Kennedy School of Government

Weatherhead Center for International Affairs
Research Assistant, 2017-2018

Professional

U.S. Department of Defense

Liaison Officer
U.S. Army Africa, 2010-Present
