

# Eco-Justice on LabXchange

12<sup>th</sup> September 2020

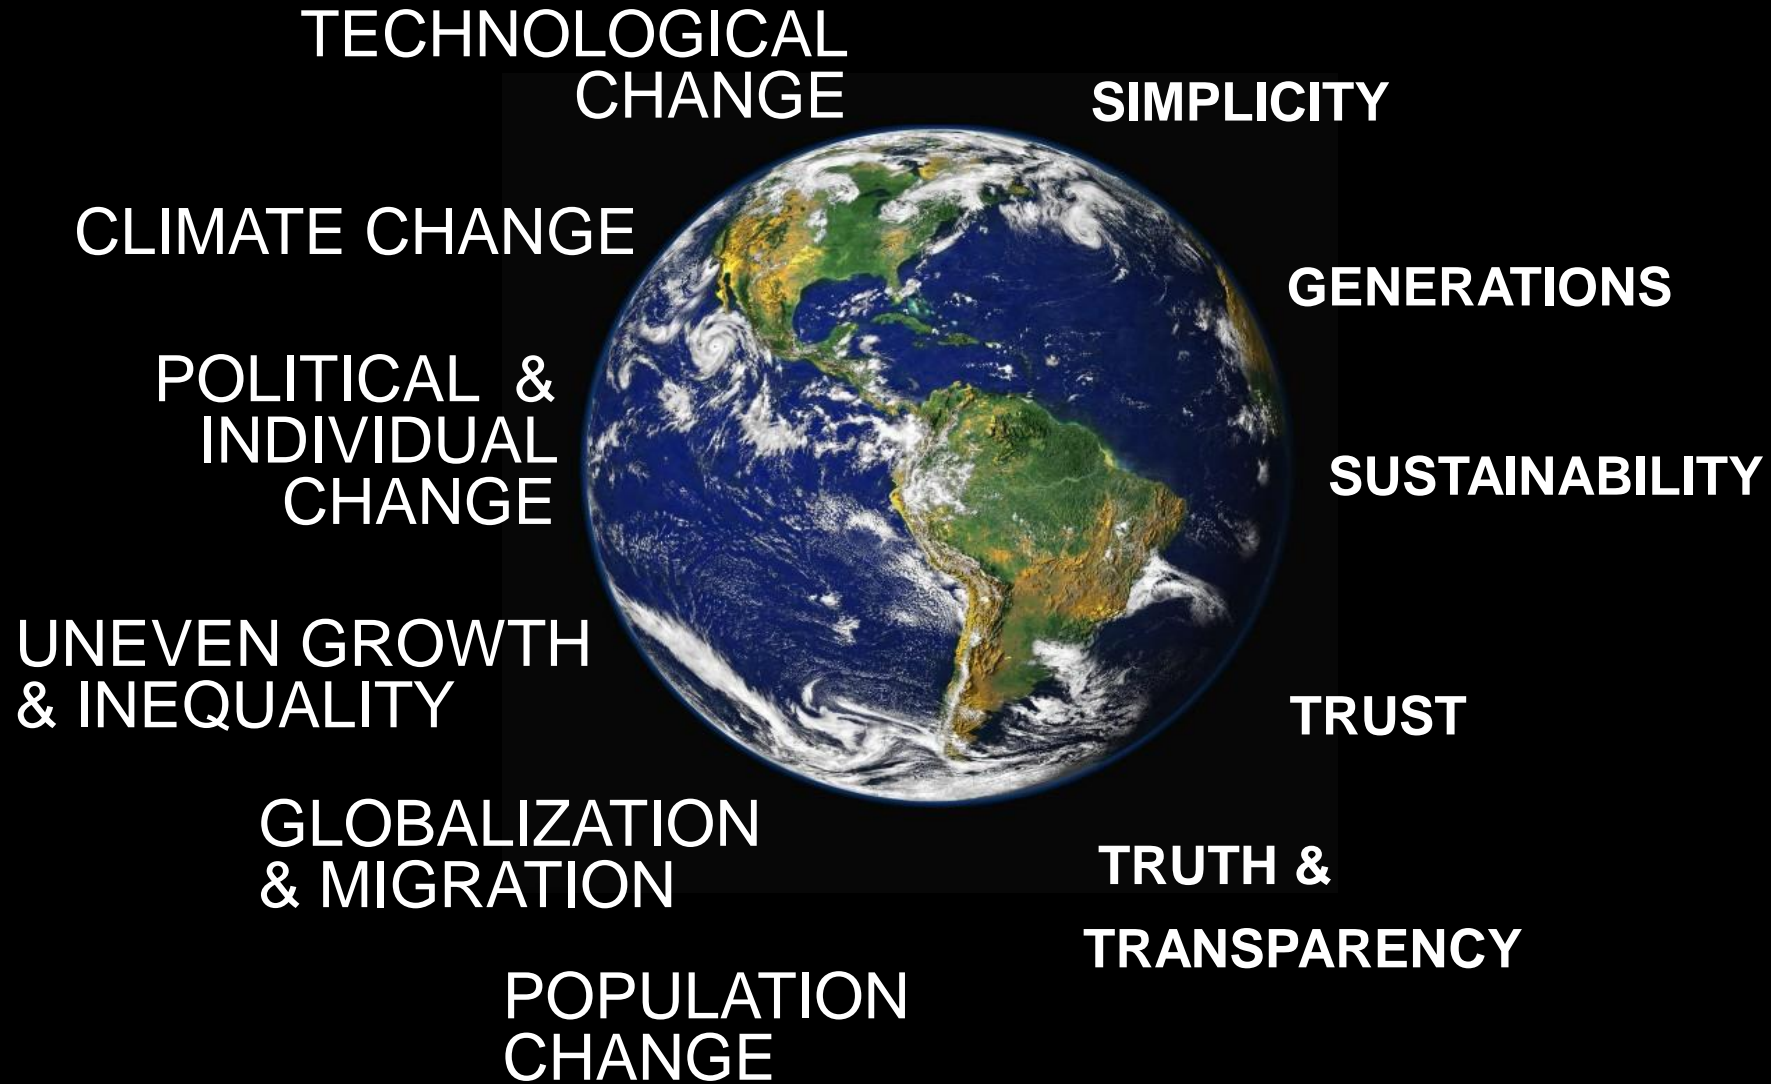

LabXchange

**Dr. Wendy M. Purcell PhD FRSA**

Harvard T.H. Chan School of Public Health

# Global Megatrends

# Transforming Our World – the 2030 Agenda for Sustainable Development

## SUSTAINABLE DEVELOPMENT GOALS

*Sustainable development: economic development that is socially inclusive, and environmentally sustainable*

Resolution of UN General Assembly, adopted 25 September 2015

# Lab Xchange is ...

- Platform for creating and curating world-class digital content
- Enables students to co-create and build learning pathways
- Embraces diversity of students backgrounds, understanding & learning styles
- Open source – free membership

Platform

Open  
Access

Global  
Learning

# Lab Xchange – speak

LabXchange gives educators, students, and researchers:

The power to  
create

The power to  
experiment

The power to  
share

The power to  
solve

- **Single asset** – a video clip, assessment questions, stretch of text, figure/table, simulation
- **Composite asset** – case studies, assignments, narratives
- **Pathways** – a combination of assets representing a class or week of class
- **Cluster** – a combination of pathways

# Eco-Justice Cluster
